Mantaro is being overwhelmed by the power of Number 1, of the Female Champions (Donkey Machine).

Both Mantaro Remoto and Kuroki Maki. The Ichijima triumphantly return as they perform in this special match!

Come now! The arrows from the "Demon Seal" showdown against Ashikawa and Yabumaru have had a magnificent victory!

END...

Mantaro, tag me in, let's continue.

Mantaro's using the bridge to resist but she's using her full body weight from above to apply pressure.

Your looks reminds me of having you take your opponent's attack on purpose.

That's a nice bonus.

Word, she doesn't like it, is there a side benefit in taking this?

Amazing boobie-clip, please, come closer.

What an amazing boobie-clip!

END

KRYAAA

Well Soap Machine Number 1 has fallen off from Mantine's bridge all of a sudden—!

HVA-  
WAA

Soap  
Dynamite  
Hip Attack—!

Come  
on, let's  
smash—!

Oh,  
Dinner  
is!

Well,  
Number 1  
has now tagged  
in Number 2  
of the Soap  
Machines—!

Soap Number  
2, who had  
been tagged,  
has now  
promptly  
run up wanting  
for the top  
rope—!

Oh, The  
Soap Machines  
are doing a  
Double Platoon  
Attack!

HONGYA—!

Mau-  
rice—!

The Sory  
Machines are  
now showing  
a different  
formation—!

4 humans  
are now  
revenge—  
And I'm  
here to take  
them—!!

Sory Dynamo  
Tackle—!

AWAWA—!!  
Oh,  
These oppo-  
nent's aren't  
the Boulder-  
chairs—!!

OWAA—!

Didn't  
you go  
to earlier  
—!!

What are  
you doing  
Maurice—

Oh— Maurice  
now being blown  
away by their  
Double Platoon  
Tackle—!

Our rivals have been  
The Machiguans  
since the start!

Wake up, Mantaro!  
I don't understand  
What are you saying?

Yes  
Yes

Oh—  
Kinsakuman  
is attacking  
and coming  
for Mantaro—

UOO

Ha.  
Furthermore  
they look a  
strongly young

Hi... Hihi, our  
opponents are  
my father and Kato  
papa Tereyman,  
The Machiguans

Why...  
why would a  
parent hit  
his son?

Hi—  
It hurts,  
it hurts

And there's  
a rash of  
punches as  
he aims for  
Mantaro's  
face—!

SORRY,  
SORRY,  
SORRY

Kinsakuman  
has quickly  
gone into  
a cowering  
position—!

Please  
stop it,  
father,  
stop it!

Why...  
Why are  
you doing  
this?

HEYAAA—  
That was a  
good  
Dream—

What—  
A Buddha  
Print with  
glass—

Fresh—  
It's me!

Hahaha,  
it was a  
fearful  
dream—

STOP IT,  
FATHER!

OWAA!

OWAAA

You're irresponsible, wake up

Honestly I'd prefer going back to my Double-Chan dream!

In the past, how much rest did you need after you were exposed to a match?

—Hey—  
How many days do you think have passed since the fight you had with Ashuraman and Voltman in the Domain Seed...?

I've already encouraged myself to do voluntary training!

Look ahead and prepare yourself for the arrival of the next crisis.

The  
The hands  
on the  
clock...

Ack

O W A A A A

The  
That's

O W A

Gh—  
What's  
that?

Using it on  
My partners  
and I will  
prepare for  
this imma-  
diately

I love it,  
come on!

Well,  
My brother,  
are we  
'Germans  
Dead'?

Well, that  
wicked Choujin  
world is filled  
with those who  
are not  
beyond our true  
power

Today's  
greeting will  
be our eternal  
farewell

We will  
also be the  
last people  
you'll be  
meeting...

We don't do  
haphazard  
things like  
wasting former  
Wicked  
Choujins!

KFWA...  
You want  
to fight  
against  
the both  
of us?

What's that  
supposed to  
mean?

E...  
Eternal  
farewell!

TIME  
CHOU-  
JIN!

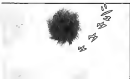

New  
Generation  
Choujin,  
this will  
be our  
eternal  
farewell!

On behalf of  
the other world,  
we'll tell you, we're  
"Time Choujin!"

UGYAWAAA!!

Just who  
are those  
people?

Go...  
Gone!

I...  
I don't  
know...

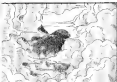

That's waiting  
us from beyond  
the Earth...

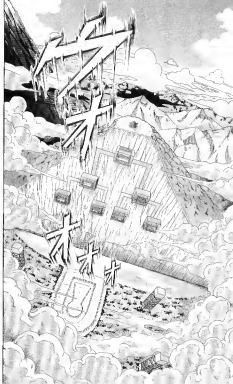

However,  
there's so many  
possible things  
to try one way  
or another, but this  
is the greatest,  
crisis in history's  
reck.

Ta~y, ya~y,  
just a touch,  
just a touch!
